PROFESSIONAL SUMMARY

Elite Executive Driver | Executive Assistant & Security Protocol Officer. Distinguished professional with over 9 years of experience providing secure logistics, administrative support, and protective services for high-profile principals and political dignitaries. Expert in Defensive Driving and Level 1 Security Awareness, combined with a proven track record in Calendar Management and Administrative Liaison duties. Maintains absolute confidentiality and zero-incident operational excellence while managing complex schedules and technical fleet integrity across the Abuja FCT.

WORK EXPERIENCE

Aug 2025 – PRESENT

EXECUTIVE DRIVER & TECHNICAL FLEET SUPERVISOR

Office of Architect Felix Akpoti, Katampe, Abuja

- Fleet Integrity Management:** Serves as the primary custodian for all vehicle assets, managing comprehensive preventative maintenance schedules and personally supervising mechanical repairs to ensure zero downtime.
- Logistics Coordination:** Orchestrates high-precision transportation for critical architectural site inspections and executive project meetings across the FCT.
- Asset Readiness:** Maintains the mechanical and aesthetic standards of high-value vehicles, ensuring they reflect the professional prestige required for high-level engagements.
- Technical Oversight:** Personally supervises all mechanical repairs and part replacements at specialized workshops to ensure the highest quality of service.

Sept 2023 – April 2025

EXECUTIVE PERSONAL ASSISTANT & CHAUFFEUR

Office of Dr. Ransome Owan, Apo, Abuja, Nigeria

- Administrative Liaison:** Acted as a dedicated Personal Assistant (PA), managing sensitive documentation, coordinating schedules, and ensuring seamless operational flow for the principal.
- Technical Maintenance Lead:** Managed the maintenance of all fleet vehicles, acting as the primary point of contact for mechanic workshops to guarantee high-quality repairs and cost-efficiency.
- Operational Continuity:** Delivered a 100% on-time arrival rate for a key principal across complex business and diplomatic itineraries.
- Risk Mitigation:** Instituted rigorous pre-sortie security and mechanical checks, effectively preventing vehicular failure and minimizing principal exposure.

Oct 2021 – April 2023

PRIVATE SECURITY DRIVER & PROTOCOL OFFICER

Office of Senator Natasha Akpoti, Maitama, Abuja, Nigeria

- Route Architecture:** Engineered a dynamic routing database utilizing advanced traffic pattern analysis, reducing average journey times by approximately 20%.
- Adaptive Security:** Executed safe route diversions in response to real-time traffic threats and unscheduled political events.
- Information Security:** Upheld a strict "Zero-Leak" confidentiality protocol, safeguarding sensitive political discussions and private itinerary details.
- Protocol Excellence:** Managed principal arrival and departure procedures, coordinating with external security teams to ensure a secure and professional environment.

Aug 2017 – Oct 2021

CORPORATE & PRIVATE TRANSPORT SPECIALIST

Holaz Nigeria Limited, Mmabushi, Abuja, Nigeria

- Premium Client Experience:** Served as the primary ambassador for the firm, providing discreet, high-tier transport services that generated consistently positive client feedback.
- Fleet Autonomy:** Operated independently as the primary Vehicle Management Point-of-Contact, overseeing all maintenance scheduling and fueling independently.
- Safety Excellence:** Maintained a verifiable zero-incident safety record throughout tenure while navigating complex regional infrastructure.
- Route Optimization:** Utilized expert knowledge of Abuja FCT infrastructure to bypass congestion and ensure time-critical delivery of corporate services.
