PROFESSIONAL PROFIL

I am an enthusiastic french teacher with high aspiration for pupils committed to supporting growth in children and enabling them to realize their learning objectives. An agent for positive change I believe that researching the past is vital to understand the present. This is why I take pleasure from encouraging pupils and to throw themselves into creativity. My love for teaching is demonstrated in my pupils and student examination results and for over three years an average of ninety student have achieved the abilities to speak french language and read in french.
